

Terms and Conditions

If your product, as specified in the Confirmation Schedule, suffers a mechanical or electrical failure during normal use we will replace it with a product of the same or equivalent specification. If no replacement is available, we will either issue a cheque or arrange a credit to the account through which the product was purchased, up to the Market Value. For the purposes of this Extended Service Plan Agreement Market Value means the original price less 20% if failure occurs between 12 and 24 months from purchase date and less 1% per month thereafter.

An assistance Helpline is available 24 hours a day for 365 days a year for emergencies at home, via a large network of approved and regularly monitored contractors. Typical examples of such emergencies would include storm damage, broken windows and burst pipes. Call 0117 934 0118 quoting scheme no.

HL/3465958 and you will be put in touch, either directly or on your behalf, with an appropriate contractor within your area. The Helpline service is free from the Issue Date of this Extended Service Plan Agreement as detailed in the Confirmation Schedule. You will be required to meet the cost of all emergency repair services.

The cost of Extended Service Plan is inclusive of applicable Value Added Tax

How to request our services

Breakdown First check that all electrical connections are in working order. Then, if after consulting the manufacturer's handbook you still require assistance, then contact us on the Service Helpline 0844 391 4025 (Monday - Friday 8.30am - 8.00pm,

Saturday 9.00am - 1.00pm). We will send you a form to complete. Please fill in this form and return it together with the product to our service centre shown on the form within 30 days. We shall inspect and confirm that the product is faulty, and send you a replacement product.

Enquiries If you have any queries regarding the Extended Service Plan Agreement then call us on the Service Helpline. If you have your Extended Service Plan Agreement ready your enquiry can be dealt with speedily. Extended Service Plan will provide the following services within the United Kingdom:

1. If the Agreement Type, as specified in the Confirmation Schedule, is 'Repair or Replacement' and your product, as specified in that Schedule, suffers a mechanical or electrical failure during normal use:-
 - i. We will endeavour to repair the product at no cost to you, up to the original purchase price paid for the product, which includes, either labour and call out charges or labour, call out and part charges, depending on the manufacturer's guarantee.
 - ii. If your product cannot be repaired within 6 weeks of authorisation of repair from the Service Helpline, it will be replaced with a product of the same or similar specification.
 - iii. We will replace it with a product of the same or equivalent specification if we decide your product is uneconomical to repair, the parts are no longer available or the cost of the repair will exceed the Market Value of the product.
 - iv. If you are entitled to a replacement under ii. or iii. above and no replacement is available, we will either issue a cheque or arrange a credit to the account through which the product was purchased up to the Market Value. For the purposes of this Extended Service Plan Agreement, 'Market Value' means the original purchase price less 20% if failure occurs within 12 and 24 months from the purchase date and less a further 1% per month thereafter (12% per annum).
2. If the Agreement Type, as specified in the Confirmation Schedule is 'Replacement' and your product, as specified in that Schedule, suffers a mechanical or electrical failure during normal use, we have a special fast track procedure whereby we shall replace it with a product of the same or equivalent specification. If no replacement is available, we will either issue a cheque or arrange a credit to the account through which the product was purchased up to the Market Value. For the purposes of this Extended Service Plan Agreement, 'Market Value' means the original purchase price less 20% if failure occurs within 12 and 24 months from the purchase date and less a further 1% per month thereafter (12% per annum).
3. An assistance Helpline is available 24 hours a day for 365 days a year for emergencies at home, to put you in contact with one of a large network of approved and regularly monitored contractors. Typical examples of such emergencies would include storm damage, broken windows and burst pipes. One call and you will be put in touch, either directly or on your behalf, with an appropriate contractor within your geographical location. The Helpline service is free from the Issue Date of this agreement, as detailed in the Confirmation Schedule. You will be required to meet the cost of all emergency repair services.
4. Your Confirmation Schedule will identify both the initial duration (including the manufacturer's guarantee period) and whether this Extended Service Plan Agreement is extendable. If it is extendable then at the expiry of the initial term, we shall extend this agreement for a further period(s) up to the 8th year after the date of delivery subject to an extended offer being available and receipt from you of an additional payment(s). We shall advise you at the relevant time of the duration and payment options. If you choose not to make the payment to extend the agreement, then it shall terminate at the end of the period you have paid for. If this Extended Service Plan Agreement is not extendable, then it will simply last for the duration as set out in your Confirmation Schedule. Details on how to request our services are included on your Confirmation Schedule and form part of this Extended Service Plan Agreement.
